Case 1:19-cv-08611-LJL-RWL

Re: Request for a Stay/ respond to D.E 21

Dear Judge Liman:

in respond to Mr. Bradly Weitz letter yesterday (D.E 21) , the settelemnt agreement was drafted and agreed by emails back and forth in late January , he is correct . But agreement was actually signed by me by February 11th and emailed to him.

Payment was mailed to Mr. Bradley on March 11th with me sending him an email that payment was mailed.(all documented in my emails with him)

I did send him 3 checks , total amount divided for 3 month (March, April, May).

On March 12th 2020 , just a single day after I mailed payment to him , I kindly asked him to suspend deposits since Iam closing the store due to COVID -19 pandemic.

He never responded to my email and tried to deposit those checks , which I had to put a stop payment on them.

Your honor, he only wrote to me when payments did not clear in his bank account , ignoring my request to hold on to payments. And than he submitted to reopen the case.

Thank you for your attention.

Sincerely,

Joe Benhamo
